Welcome Nena

As some of you may have seen, Preschool has been hosting an intern, Ms. Nena Holt, over the last couple weeks. Nena has a Master's Degree in Early Childhood Education and is working towards her Special Education Certification. Nena will be here through the 14th of July.

Parent Workshop

On Tuesday, July 12th we will be hosting a parent workshop about brain research and learning through play. Nena Holt, our Preschool intern, will present the workshop. If you are interested in attending, please sign up on the sheet near the check in computer.

Facebook

This past month we launched our Closed Parent Group on Facebook. Several families have been invited to the group. The purpose of this group is to provide families a platform to connect with each other. Please feel free to use the group to ask others kid-related questions, coordinate get togethers with other ELC families, and support one another in your journey through your child's early years. If you have not joined and are interested, search ELC Parent Page on Facebook, request to be friended and you will be invited to the closed group.
