#### UCP Clinical Trial Opportunity

Did you know that UCP is involved in a National Institute of Health clinical trial? In collaboration with the University of Arizona, UCP, Phoenix Children's Hospital and Tucson Medical, we are working together to look at the benefit of intense therapies for children with cerebral palsy under the age of 3. If you know a child that might benefit from participation, check out

## Attendance Policy Reminder

Please remember we require a 24-hour advance notice to cancel an appointment. If your child is sick, let us know as soon as possible! Please keep your child at home if he/she has had a fever of 100 degrees or more within 24 hours of the appointment.

If you will need to change your child's therapy times when summer begins, please talk to your therapist ASAP! You may also speak with Lindsay Federico to discuss scheduling needs.

Thank you!

## Stay on Site For Therapy Sessions

Parents/caregivers must remain on UCP premises during therapies at all times.

UCP encourages all parents to participate or observe therapy sessions in the therapy clinic.

## New Adaptive Equipment Store

UCP is making available to caregivers small, frequently-needed adaptive equipment items that are routinely suggested by therapists for a small donated price

Chewy Tubes- \$1.00  
Pencil Grips-\$2.00  
Sensory Brushes-\$2.00  
Foam for Utensils-\$2.00
